Golden Craftsmanship

Each luxury lift & recline chair is hand crafted in our facility using decades of motion furniture experience.

501 M shown

Added Comfort and Safety

Designed to perform year after year using advanced technology backed by the best warranty.

501 M shown

Smart Engineering

Smooth, quiet lifting system offers a secure lift for the best performance.

Smart Tek

In the event of a malfunction, our patented SmartTek™ diagnostic system enables you to get your lift chair up and running quickly.

Battery Backup System

Batteries not included. Battery Backup System is designed to bring the chair from the reclined to the seated position in the event of a power outage.
