Battery charger:	Off-board, 5 amp (NF-22), Off-board, 8 amp (Group 24)
Color:	<div>   </div> <div> <p>Silver</p> <p>Red</p> </div>

¹ Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tire condition. These specifications can be subject to a variance of (+/- 10%).

² Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or - 3%).

³ AGM or gel cell type required.

⁴ Battery weight may vary based on manufacturer.

NOTE: All specifications subject to change without notice.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of + or - 3 %. Dimensions listed are for power base only. Overall measurements will vary based on seating and accessory selections.

PURSUIT-SS-07-09-15

FEATURES

- Infinitely-adjustable tiller angle with conveniently located handle
- Feather-touch disassembly
- Powerful drivetrain; features 120 amp microprocessor-based controller
- 24V, 4-pole DC motor for increased power
- CRS reclining high-back seat with sliders and headrest
- Full lighting package that includes directional signals and lower headlight
- Delta tiller with wraparound handles
- Large 13" low-profile, pneumatic tires for excellent outdoor performance
- Front and rear suspension
- Easily accessible tie down points (for transport of unoccupied scooter)
- Front basket standard
- Rearview mirror standard

OPTIONS

- Rear basket
- Safety flag
- Durable weather cover
- Group 24 batteries
- Cup holder
- Saddlebag
- Lap belt
- Weather cover
- Weather breaker canopy
- Cell phone holder
